Introduction

We distinguish ourselves from conventional workforce agencies by prioritising a holistic approach to labour solutions. Our commitment extends beyond just satisfying employers, we strive to enhance the overall experience for both employers and employees alike. At our core, we pride ourselves on seamlessly orchestrating the labour-hire process and meticulously selecting the optimal workforce from the outset.

Benefit from our dedicated Client Manager and Recruitment team that will work closely with you to ensure your specific needs are met with precision. Experience a labour-hire partnership that not only meets the employer's requirements but also the workforce.

At RM Group Labour Hire, we excel in addressing industry-specific skill shortages, connecting highly skilled trades personnel like engineers, electricians, mechanical plumbers, fitters and ICT systems engineers with the right opportunities.

We take immense pride in being pioneers, uniquely collaborating with our clients to reduce carbon footprints and pave the way towards a greener future.

Labour Hire Australia Services we provide

✓ LABOUR HIRE

Navigate the peaks and valleys of your workforce demand seamlessly by accessing skilled professionals precisely when you require them. Our adaptable workforce solutions empower you to manage fluctuations in staffing levels effectively, ensuring you have the right expertise at the right time.

✓ RECRUITMENT

Leveraging an extensive database of highly skilled professionals, we excel in identifying and securing permanent full-time staff who can be directly employed by your company. Providing the customised skill you require for your scope.

✓ FLEXIBLE STAFFING SOLUTIONS

For businesses in search of permanent staff without the commitment of a one-time placement fee, our flexible staffing solutions offer a valuable alternative. Explore the benefits of our casual pool management, providing you with the staffing flexibility your business needs.

Labour Hire Australia

Industries we serve

INFORMATION & COMMUNICATION TECHNOLOGY

Our ICT team leverages cutting-edge technology and deep industry knowledge to provide tailored staffing solutions for IT professionals across various sectors. From software developers and network engineers to cybersecurity experts and data analysts, we ensure that your organisation has access to the top-tier talent needed to drive digital transformation and innovation. Our comprehensive understanding of the ICT landscape enables us to efficiently match skilled individuals with diverse roles, minimising downtime and maximizing productivity.

ENGINEERING

In the rapidly evolving engineering industry, securing top-tier talent is critical for organisational success. We specialise in identifying, vetting, and connecting highly skilled individuals with diverse roles in engineering. With a deep understanding of the industry's unique demands, we ensure efficient placements, minimising downtime for organisations.

CONSTRUCTION, MANUFACTURING & MAINTENANCE

RM Group will source top-tier talent for the construction, manufacturing, & maintenance industries. From skilled construction operators to versatile manufacturing professionals, we specialise in providing tailored staffing solutions to meet your unique requirements. Whether you need full-time placements or seek part-time personnel, RM Group Labour Hire offer full-time placements or part-time personnel depending on your needs.

RENEWABLE ENERGY

RM Group is your leading provider of skilled personnel in the rapidly expanding renewable energy industry. We acknowledge the vital importance of assembling the right crew for your clean energy projects, ensuring optimal efficiency and sustainability in your operations. Choose us as your partner to shape a sustainable future with the ideal personnel for your renewable energy endeavors.

MINING & OIL

In the dynamic landscape of the mining industry, sourcing and placing the right candidates is crucial for seamless project execution. Our personnel come equipped with the necessary safety Personal Protective Equipment (PPE) tailored for the mining industry and are induction-ready, prioritising a commitment to safety protocols. Whether you require underground or open-cut surface workers, our team possesses an understanding of the technical, and skilled trades personnel essential for ensuring an efficient mining operation.

TREATMENT & PROCESSING

Discovering the ideal candidates for positions within water treatment plants and processing facilities is a specialty at RM Group. We excel in navigating niche markets to identify and place the perfect candidates, ensuring a seamless fit for your unique needs. Our commitment to finding individuals with expertise in water treatment operations contributes to the smooth management of facilities and operations, a key factor in achieving success in this critical industry.
